THE VINEYARD

The Morelli Lane Vineyard is archetypal for all we love about our part of the world: scenic, alive with history, and delicious. This 19th century planting is located at the top of Stoetz Ridge, just north of the town of Occidental on the far western edge of the Russian River Valley appellation. The dry-farmed, head-trained 1.8-acre block is all that's left of a vineyard planted by the Morelli family over 100 years ago. Left unfarmed for years, the Duttons (with prodding from Dan) revived the vineyard in 1995 and its fruit now enables us to provide this special limited bottling of old vine Zinfandel. Its cool proximity to the coast gives us a Zin of exceptional brightness and moderate alcohol; its hilltop perch facilitates the ripeness for wonderful fruit density and lush tannins; and its age gives us the personality that makes the wine truly special.

WINEMAKING

Making this wine is all about showcasing the special character of this wonderful vineyard—ebullient fruit, silky tannins, density without heaviness. To achieve this, we employ similar winemaking techniques as for our pinots: hand-sorting the fruit prior to destemming, cold soaking for 7 days, and fermenting in a small open top fermenter with gentle punchdowns. Our zin is aged only in French oak chosen to showcase the sweet fruit and candied spice overtones. The wine was racked once the spring of 2020 to marry the individual barrels, and to allow us to hone our barrel choices for its final aging. For this wine, we love Taransaud barrels for the structure and Asian spice they impart, and Cadus for their creamy caramel tones. The blend developed wonderful richness and breadth over summer and fall, and we bottled it in early April of 2021.

THE WINE

The tiny 2019 harvest gave us an especially intense Morelli Zin this year that you can sense right away from the beautiful deep ruby color and sumptuously rich fruit aromas. Berry compote leads the nose, bursting with sun-ripened blackberries edged with a touch of caramel. The mouth is equally as impressive, with concentrated boysenberry and raspberry fruit carried on velvety tannins. While this is a plush mouthful of wine, there's brightness to balance the decadence. Baking spices frame the fruit as it continues to a lengthy finish. Pasta dishes would make a great partner, from a simple carbonara to a more exotic orecchiette with veal meatballs. For cheeses, match the texture and counterpoint the sweet fruit with creamy options that have a little tang, including peppercorn goat and gorgonzola dolce.

Dutton-Goldfield Winery began in a vineyard in 1998, when longtime colleagues and friends Steve Dutton and Dan Goldfield recognized a shared vision between them—to craft wines that express the personalities of their vineyards, and which they'd enjoy drinking at their own dinner tables. Our mission is to produce world-class wines that display the brightness of fruit, complexity, structure and balance that are reflective of our cool coastal home.
