THE VINEYARD

We love making this wine more and more every year. It exemplifies our favorite Green Valley Pinot Noir characters with its core of berry fruit, solid structure and acidity, silky tannins, and an evolving nature in the glass. The vineyard is situated on an east-facing knoll the middle of Green Valley. In 2001, Steve planted its perfectly drained Goldridge sandy loam soil to several Pinot clonal blocks. Dan has chosen to use three to consider for this special offering: the mixed block of Pommard and 2A, which produces deep, dark and chewy wine (there's always something special about mixed clone fermentations); the 667 block, which adds focus and precise berry fruit; and the 828 block, providing ebullient freshness and solid structure. This year the wine was constructed from 42% of the 828 block, equal parts 2A and POM, and a small amount of 667 providing us a wine with the crystalline fruit focus and luscious pleasure that we adore from this neighborhood.

WINEMAKING

After hand sorting and destemming each block into small open top fermenters, the must is cold-soaked for 5 days in order to gently extract color, spice and fruit characters, while mitigating harsher tannins. Each clone is treated individually: the Pommard/2A block needs the gentlest handling given its highly tannic nature, while the 828 generally likes the longest time in the fermenter to enhance its floral aromatics. The lots are punched down between 1 and 3 times per day depending on the stage of fermentation and character of the lot. The blend was put together in May of 2022, then sent back to barrel until its bottling in Spring 2023. Taransaud barrels provide weight and richness, Cavin barrels bring spice (think blueberry cobbler), while Fouquet chimes in with a little extra sweetness.

THE WINE

The vibrant berry, baking spices, and plush mouthfeel that defines Emerald Ridge is perfectly exemplified in the 2021 vintage. Leading aromas of black raspberry and dried cranberry are framed by sweet toffee and light lavender notes. The balanced, smooth and energetic mouth is lifted with red berry compote on first sip. Blueberry and pomegranate follow, riding on a velvety blanket of fine tannins. Forest floor and savory spice carry the lengthy finish, framing the juicy berries and lively acidity. Counterpoint the fruit with savory dishes like stuffed mushrooms, bacon wrapped pork tenderloin, roasted duck, and cheeses like aged cheddar and Asiago.

Dutton-Goldfield Winery began in a vineyard in 1998, when longtime colleagues and friends Steve Dutton and Dan Goldfield recognized a shared vision between them—to craft wines that express the personalities of their vineyards, and which they'd enjoy drinking at their own dinner tables. Our mission is to produce world-class wines that display the brightness of fruit, complexity, structure and balance that are reflective of our cool coastal home.
